From the VICE-CHANCELLOR,
The UNIVERSITY OF LIVERPOOL.

5th March 1919.

My dear President,

I am sending on your letter to the Chairman of the Joint Matriculation Board. I retired from office more than a year ago, and my work here comes to an end at the close of this session.

I hope that all goes well with you.

Believe me, with very kind regards,

Alfred Dale

The Reverend President

Professor H. H. Davis,

1282 Sulvane Avenue,

Topeka, Kansas.

Dear Mr. Davis:

I have just received your letter with regard to the possibility of your having a position in Philosophy in the University of Toronto. I cannot, however, hold out any prospect of there being any vacancy to which you could look forward in the near future. Our staff in Philosophy is already larger than our needs in some departments.

Wishing you a happy New Year,

I am,

Yours sincerely,

President.

James Davison, Esq.,

Collegiate Institute,

Guelph.

Dear Mr. Davison:

The only time that I would have free as far as I can see would be on Wednesday of this week at 12 or at 3 o'clock. If you would telephone to me which of these hours would suit you I will keep it free ?

With kind regards, I am,

Yours sincerely,

President.

December 7th, 1918

Lt.-Colonel H. J. Dawson, D.S.O., C. de C.,

O.C. 46th Canadian Infantry Battalion,

C.E.F., France.

My dear Colonel Dawson:

Your letter of November 12th which I have just received has given me a great deal of pleasure. I may assure you that we appreciate very highly your kind thought of the University and shall look forward with the greatest pleasure and pride to having these two guns in the University. That you as a distinguished graduate should have thought of us at the time and secured for us trophies that will be a memorial of your heroic work will be a constant source of pleasure to us.

I am writing to General Newburn asking him to see that these guns are secured for us.

What magnificent work you all have done, and how splendidly success has crowned the unbroken triumphs of the Canadians. I saw the beginning of the final attack at Arras at the end of August, and from that day on you were irresistable. Hoping to see you all back before many months go by, I am,

Yours sincerely,

President.

President Falconer,
Principal of Toronto University.
Toronto, Ont.

Dear Sir,

Having heard that you are reorganizing your Department of French, I take the liberty for writing you, because I have been encouraged to do it by Rev. J. U. Tanner, superintendent of home missions, who intends to write you this week about it.

The enclosed testimonials, which I would be glad to have back at your earliest convenience, references and a short account of my previous work, will give you many particulars about me. If you desire any other detail, I will be glad to furnish it.

I am trying to widen my sphere of activity and enter University work where I could also take at the same time, further University degrees. I hope Toronto will give me the opportunity I am looking for and which Sherbrooke can not give me.

The position of Supervisor of French in the High Schools of the Province has been offered to me, but if I can settle elsewhere than in this Province, I would rather prefer.

Please accept my anticipated thanks, and believe me

Yours truly

My dear Sir:

I think that I have nothing further to add with regard to what I wrote to you a few weeks ago. I rather think that for the next winter it would be difficult for us to take any exchange professor.

Rear Kenneth Duncan, E.A.,
The Canton Christian College,
Canton, China.

Dear Mr. Dean:

The request that was sent on behalf of the Canton Christian College that the University of Toronto should admit graduates of your College to postgraduate work in this University has been considered by our Board of Graduate Studies, and I am glad to be able to inform you that the University has pleasure in acceding to your request. The University will register your students and endeavour to do the very best for them in whatever department they may wish to pursue their studies. It is our hope that before long we may have the opportunity of carrying this arrangement into effect in order that by a period of residence in Toronto some of your graduates may not only undertake advanced work here but may come to understand sometning of the ideals of Canadian life.

With certain exceptions,

I am,

Yours sincerely,

Dear Sir. Robt Falconer:

I wish to thank you for your very kind sympathy in the loss of my husband, Captain Arthur J. Duncan.

OFFICE NATIONAL

des

Universités et Ecoles Françaises.

96, Boul. Raspail.

Paris, le 16 Octobre 1918.

Monsieur le Président,

Vous avez dû recevoir, il y a quelque temps, une lettre de l'American University Union, portant à votre connaissance l'existence de l'Office National des Universités et Ecoles Françaises et vous demandant de bien vouloir vous adresser à lui pour toutes informations relatives à la vie universitaire française et à l'expansion intellectuelle de la France.

Permettez-moi d'attirer à nouveau votre attention sur l'utilité que peut présenter pour vous une prise de contact direct avec l'Office National des Universités. Si vous désirez obtenir sur l'organisation des études en France un renseignement quelconque l'Office vous le fournira volontiers. Si vous cherchez un professeur de français l'Office à qui s'adressent d'ordinaire les universitaires désireux de partir à l'étranger pourra vous mettre en relations avec l'un d'eux.

Mais pour que l'Office soit en mesure de remplir pleinement son rôle de trait d'union entre les Universités françaises et les Universités américaines il lui serait tout à fait nécessaire de posséder les Annuaires, Catalogues, Calendars édités par toutes les grandes Universités et tous les grands Collèges des Etats-Unis. Déjà un certain nombre d'entre eux répondant aux vœux exprimés par l'American University Union nous ont fait parvenir leurs diverses publications. Puis-je vous prier de bien vouloir m'envoyer les vôtres? Vous recevrez, en échange, si vous m'en faites la demande, le volume "Les Universités et Grandes Ecoles Françaises," publié par l'Office.

Veuillez agréer, Monsieur le Président, l'assurance de mes sentiments les plus distingués.

Le Directeur de l'Office
Inspecteur général de l'Instruction Publique,
